Biography

Kaung Myat is the CEO of Pinlon Hospital, the flagship of the Pinlon Group of Hospitals (PLGH), one of Myanmar's largest private healthcare groups with four hospitals and two dental clinics. Since 2016, he has led major modernization efforts, enhancing infrastructure, operations, and patient experience."

About the Organization

"Pinlon Hospital is a leading multi-specialty private hospital in Yangon, established in 2007. It provides 24/7 emergency care and advanced services including oncology, colorectal surgery, cardiac care, and diagnostic imaging, with a strong focus on quality and patient-centered care."
