Biography

Dr. Songkit Suthikan is the Director of Vibhavadi Piyarasd Hospital and Chairman of Supalerk U-thong Hospital Co., Ltd. He earned his M.D. from Chiang Mai University in 1983 and became a board-certified obstetrician and gynecologist in 1990. His career includes service at Uthong Hospital, participation in the NHSO Region 5 Subcommittee, and leadership as President of the Rotary Club of Uthong. He has completed numerous advanced trainings in high-risk pregnancy, occupational and environmental medicine, chelation therapy, aesthetic medicine, and medical cannabis applications.

About the Organization

Vibhavadi Piyarasd Hospital is a private 60-bed facility in Suphan Buri Province, operated by Supalerk U-thong Hospital Co., Ltd., a joint venture of physicians, business partners, Chaophraya Hospital Co., Ltd., and Vibhavadi Hospital Co., Ltd. Established on September 5, 1993, the hospital provides comprehensive medical services on a campus of 5 rai, 2 ngan, and 13 square wah. The organization also oversees Piyarasd Intercare School, which offers professional training for nurse aides, elderly caregivers, and Thai traditional massage therapists.
